Animal World

Animals are of different kinds. Each animal has a name. Can you recognise the animals given below? Use help if required. Tell your partner which animals live in water and which live on land.

Help

- FISH • CAT • LIZARD
- COCKROACH • TORTOISE
- GOAT • ELEPHANT
- ZEBRA • DOG • LION
- SNAIL • PARROT • OWL
- CROCODILE

Do You Know ?

The Giraffe is the tallest animal. It has a very long neck. However, it has only seven bones in its neck, the same number as you have.

2

Animal Sounds

Different animals make different sound. You can identify the animal from the sound it makes. Identify the animal and complete the word. Match the animal with the sound it makes. You may refer the help desk if required. One has been done for you.
